Vision

To emerge as a Center of Excellence for producing professionals who shall be the leaders in technology innovation, entrepreneurship,management and will contribute for the advancement of society and human kind.

Mission

M1. To provide an environment of learning in emerging technologies.

M2. To nurture a state of art teaching learning process and R&D culture.

M3. To foster networking with Alumni, Industry, Institutes of repute and other stakeholders for effective interaction.

M4. To practice and promote high standards of ethical values through societal commitment.

ABOUT COLLEGE

Malla Reddy College of Engineering (Formerly CM Engineering College) has been established under the aegis of Malla Reddy Group of institutions in the year 2005, a majestic empire, founded by chairman Sri. Ch. Malla Reddy. He has been in the field of education for the last 29 years with the intention of spearheading quality education among children from the school level itself.

Since the beginning Mr. Malla Reddy has endeavoured to ensure quality education and carved a niche for himself by managing this group of institutions.

Malla Reddy College of Engineering has been laid upon a very strong foundation and has ever since been excelling in every aspect. The bricks of this able institute are certainly the adept management, the experienced & dedicated faculty, the selfless non-teaching staff

Courses Offered

» COMPUTER SCIENCE AND ENGINEERING

» COMPUTER SCIENCE AND ENGINEERING (AI &ML)

» COMPUTER SCIENCE AND ENGINEERING (DS)

» ELECTRONICS AND COMMUNICATION ENGINEERING

MALLA REDDY
COLLEGE OF ENGINEERING

SALIENT FEATURES

- Approved by AICTE
- Permanent Affiliation to JNTUH
- ISO 9001:2015 certified institution
- 2(f) & 12(B)
- Global Education and career counselling
- center to promote international Education
- More than 375 students are placed in Reputed Multinational companies (MNC)
- Member of DELNET, ASM, J-GATE, IEEE Examinations Centre for GATE, EAMCET, ECET,
- ICET & AIEEE, Govt. & other private competitive
- Examinations.
  CSI, IEEE, IETE & ISTE student's chapters & Institutional Memberships.
- MOUs with relevant companies
  All faculty ratified by JNTUH
- Innovative and Incubation Center
- IIC Approved by MIC

INNOVATIVE PRACTICES

- Employability Training Programmers for II, III and IV years students
- Regular conduction of Mock placement drives for II, III and IV years
- National and International Conferences, workshops and Refresher courses
- Project based trainings for I,II,III & IV B.Tech students
- Guest Lectures from persons from reputed universities and industries
- NPTEL Video lectures
- Department Technical Quarterly E-Magazine
- Annual college Newsletter TRIUMPH
- LED projectors in every class room to facilitate effective Teaching Learning Process
- Course files and Manuals for effective Instruction
- Mentoring and counselling
- SMS alerts for absentees
- Interactive Boards for effective teaching
- international conference every year
- Internships for all the students

KNOWLEDGE IS DIVINE

MRCE CAMPUS

> **We believe in giving a transformative education which empowers young Engineers not only with knowledge about the latest trends in engineering technologies but also with values and ethics required to balance both professional & personal lives.**

Sri. Ch. Malla Reddy Garu
Founder Chairman of MRGI
Hon'ble Member of Legistative Assembly
-Medchal

As knowledge is power, focus must be on grooming dynamic leaders, not just graduates. Our society needs enthusiasts with passion to "Transform India into a force to reckon with". I believe that the aim of education is the knowledge, not of facts but of values. MRCE has always believed in value based education,where modern quality education is imparted in an environment which is in conformity with our rich traditions and heritage. I strongly believe in the capabilities of my students and ensure everything best to witness their promising growth. Mr. Ch. Malla Reddy is the founder Chairman of Malla Reddy Group of Institutions (MRGI) who has been in the field of education for last 29 years with the aim of spreading quality education among children at the school level and is the largest cluster of technical institutions in the state.

Sri. Ch. Mahender Reddy
Secretary - MRGI

Sri. Ch. Mahender Reddy is carrying forward the pioneering legacy of his visionary father, Sri. Ch. Malla Reddy. All the assignments or pursuits he shoulders are punctuated with distinctions. This multifaceted personality is quite enthusiastic in bringing laurels to MRGI in its continuing saga of success. He leaves no stone unturned in redefining the etiquette of the quality education with an indomitable team spirit. In treading the path of his father, he is blazing the way, with a trail of achievements and accomplished goals.

Sri. CH Bhadra Reddy
President- MRGI

Dr. Ch. Bhadra Reddy, President, MRGI is a highly qualified professional with an M.D. degree in medicine. By his youthful presence and with a proactive approach, he tirelessly endeavours to shape the destiny of the student community by imparting quality education in a conducive environment, thereby, motivating the students to successfully meet the contemporaneous needs of the industry.

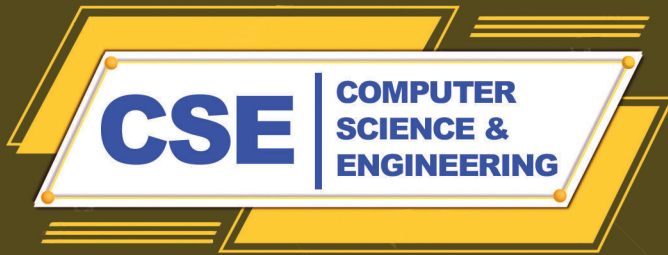

Smt. CH Shalini Reddy
Managing Director- MRGI

Smt. Ch. Shalini Reddy is a highly accomplished leader with a distinction in Master's in Business Administration (MBA) and has a remarkable track record of achievements, showcasing her exceptional leadership in steering the institution to new heights. Shalini madam envisions the institution as a hub for developing future leaders and innovators.

Sri.Dr. M Ashok
Principal- MRCE

Dr. M. Ashok is a highly experienced and accomplished educator with a proven track record of success in leadership roles. He is a strategic thinker with a strong focus on results. He is also an effective communicator and collaborator who is able to build relationships and get things done. Dr. M. Ashok is passionate about education and is committed to providing students with the best possible learning experience. His innovative academic leadership focused on engaging with students and educators to meet learning objectives and drive students' all-round progress.

CENTRAL LIBRARY

- The college has an advanced Digital Library

  facility with adequate number of

  volumes & journals to meet student's needs.

- High speed internet facility for students

- Library has Institutional membership

  in prestigious organizations like

  British Library, DELNET, J - GATE.

- Wi-Fi enabled College

CSE | COMPUTER SCIENCE & ENGINEERING

The Department of Computer Science and Engineering from the day of its inception, has been taking long strides in the field of science and Engineering. One of the oldest and active departments anticipated the rapid developments in Technology and software and provided the most sophisticated laboratory facilities & excellent infrastructure. The department has well qualified dedicated enthusiastic teaching & technical staff.

Laboratories:

Software Engineering
Data Structures
Artificial Intelligence
Big Data - Spark
Cryptography and Network Security
Computer Networks
Data Visualization - R Programming/ Power BI
Data Base Management Systems
DEVOPS
Full Stack Development
Internet of Things
Object Oreinted Programming through Java
Mobile Application Development
Machine Learning
NODE JS/ REACT JS/ DJANGO
Operating Systems
Scripting Languages
Software Testing Methodologies
UI Design - Flutters

COMPUTER SCIENCE & ENGINEERING | AI&ML

The Department of Artificial Intelligence and Machine Learning (AI&ML) was founded in 2020 with the goal of providing high-quality higher education to as many students as possible and to satisfy the enormous need for highly trained professionals in the industry.

The Department of AI&ML offers a B. Tech program in Computer Science and Engineering (Artificial Intelligence and Machine Learning). The curriculum is created to give students a firm foundation in AI and ML principles and concepts as well as practical experience in handling situations of the real world.

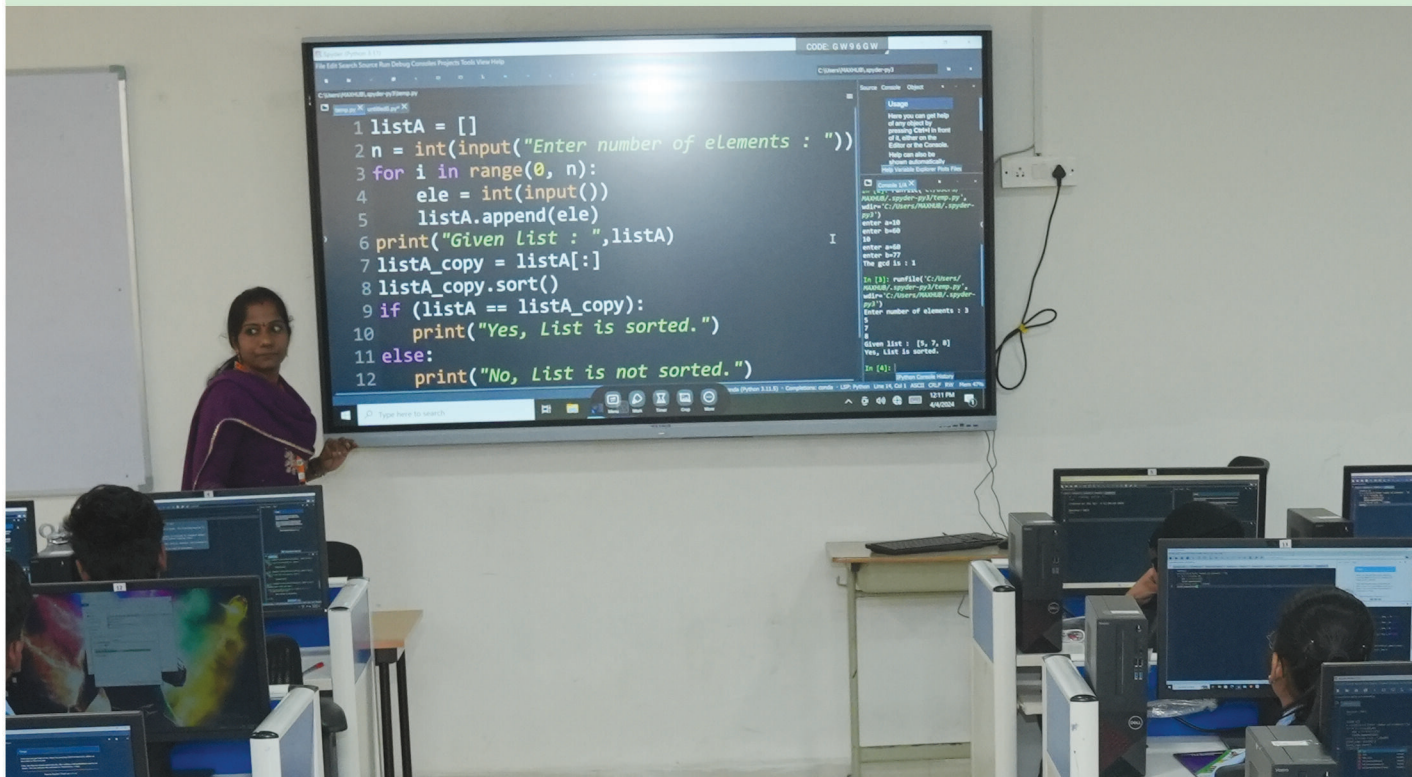

Laboratories:

Deep Learning

Devops

Software Engineering

Induction Data Structures

Data Analystics

Natural Language Processing

UI-Design Flutter

Computer Networks

Machine Learning

PROLOG/LISP/SWIP

Java Programming

NODE JS/REACT JS/DJANGO

Software Engineering

Data base Management Systems

COMPUTER SCIENCE & ENGINEERING | DS

Data creates magic. Industries need data to help them make careful decisions. Data Science churns raw data into meaningful insights. Therefore, industries need data science. A Data Scientist is a wizard who knows how to create magic using data. A skilled Data Scientist will know how to dig out meaningful information with whatever data he comes across. He helps the company to progress in the right direction. The company requires strong data-driven decisions of a data scientist at which he's an expert. The Data Scientist is an expert in various underlying fields of Statistics and Computer Science. He uses his analytical aptitude to solve business problems.

Laboratories:

Data Structures

Big Data Analytics

Cryptography and Network Security

Computer Networks

Data Visualization - R Programming/ Power BI

Data Base Management Systems

Data Visualization Techniques

Web and Social Media Analytics

Object Oreinted Programming through Java

Mobile Application Development

Machine Learning

NODE JS/ REACT JS/ DJANGO

Operating Systems

Skill Development Course (UI Design - Flutters)

Software Testing Methodologies

Scripting Languages

R Programming

Skill Development Course (ETL- KAFKA/TALEND)

ECE | Electronics & Communication Engineering

The Department of Electronics and Communication Engineering is one of the Departments that has been started at the time of inception of MALLA REDDY COLLEGE OF ENGINEERING (MRCE) in 2005 with an intake of 60. Currently the annual intake is 120, besides an additional 10% under Lateral entry scheme. The Department was accredited by NBA in 2017 and Re-accredited in 2020.

The Department has well-equipped laboratories with computational facilities, resources both in terms of hardware and software for Basic Simulation, Electronic Circuits and Pulse Circuits, VLSI System Design, Digital Signal Processing, Microwave Engineering and Digital Communications.

Laboratories:

C Programming for Engineers

Applied Python Programming

Analog Circuits

Linear and Digital IC Applications

Digital Logic Design

Basic Simulation

Electronic Devices and Circuits

Analog and Digital Communications

Microcontrollers

IOT Architectures and Protocols

Advanced English Communication Skills

CMOS VLSI Design

Advanced Communication

Microwave and Optical Communications

Digital Signal Processing

Microprocessors & Microcontrollers

Data Communications and Networks

E – CAD

Scripting Languages

H&S | HUMANITIES & SCIENCES

The Department of Humanities and Sciences (H&S) is one of the earliest Departments at MRCE, established in the year 2005. The Department of Humanities and Sciences (H&S) offers basic Engineering Mathematics, Physics, Chemistry and English to U.G students of all B.Tech courses at first year level.

Our college management ensures availability of adequate physical infrastructure as per AICTE norms. The Department of Humanities & Sciences aims at encouraging advanced teaching learning process and quality research at individual, departmental and institutional level. It also persistently strives to build quality based knowledge and human resource capacity.

Laboratories:

Engineering Chemistry

English Langauge and Communication Skills

ELCS- Interactive Communication Skills

Advanced Comunicaion Skills

ACS Discussion Room

Applied Physics

Programming for Problem Solving

C Programming for Engineers

Python Programming

Applied Python Programming

IT Workshop

VISION OF YOUR PLACEMENT
IS MISSION OF MRCE

300*
PLACED 2023-24

The Training and Placements (T&P) Cell offers industry-relevant courses along with campus recruitment training, to enhance technical and communication skills of the students. The students will also be provided with job opportunities through on-campus placement drives, attended by a plethora of top-tier engineering and multinational companies. From the 1st year itself, The placement cell will also provide internship assistance to help you build work experience in a relevant industry. The T&P Cell works closely with students who are interested to pursue higher education in India and abroad.

Igniting aspirations, fulfilling dreams
The Training and Placement Cell at MRCE guides and supports the students in launching and shaping their careers by imparting the necessary Life Skills and inculcating key differentiators to turn a student into a competent and complete professional.
The Cell focuses on building Life Skills, more specifically the employability skills, through various training programs and a collabrated industry-connect program that empowers a student for a glorious career. These skills and professional attributes, apart from brightening their job prospects, enable them for entrepreneurship or advanced academic pursuits.

REGISTRATION AND ORIENTATION
The Training and Placement Cell will conduct an orientation session at the beginning of the Academic Year on Career building and Career services of the Cell.
 The Registration and attending Orientation Session is mandatory for the students to avail the services offered by the Cell.

CAREER ASSURANCE PROGRAM
MRCE offers career assurance program, a unique program that caters not only to outgoing batches but to the entire student community at MRCE, right from the first year itself. Training need analysis is done to identify and categorise the individual requirements of each student. The students are then trained for exponential growth by helping them overcome their deficiencies through practical application of the knowledge they have gained.

Initiatives by Training and Placement Cell

1. Cambridge English Language Certification program for 1st Year
2. Campus recruitment training from 2nd Year to final year
3. Industry experts Talks
4. Abroad education support by providing in campus IELTS training and Awareness sessions by experts
5. Alumni Association
6. "Entrepreneurship Development Cell" is a program designed to foster new innovations and startups.

Give wings to your Dreams
